

PRESS RELEASE

STRONG FIRST YEAR FOR OUR MARLOW OFFICE

As we reach the first anniversary of our Marlow office, we can take pride in the positive feedback we have had from both landlords and occupiers alike. One recently commenting “You look like you’re taking over Marlow”. Our service is based on hard work and commitment to our clients, coupled with our knowledge base of the Marlow market.

Having worked in the Marlow market for 17 years, Martin Somers, Divisional Director, is Marlow based and committed to the community and assisting in local organisations such as Lighthouse and the Air Cadets.

Michael Garvey, Managing Director, has been assisting local business, ‘Thomas International’ to acquire new office accommodation in Marlow for them and has recently completed on fantastic new high spec offices for them in Oxford Road.

We will shortly be bringing to the market a newly refurbished Headquarters office building in Globe Park, which will offer 36,000 sqft of Grade A space on the Park.

The Council have recently instructed us to dispose a leasehold site at Globe Park. (more news to follow)
